# Procurement Summary

### Report Reference

Report NX-PRC-2026-04 prepared by the Finance department procurement team on 30 April 2026. Classification: Confidential - Finance.

### Annual Procurement Results

The procurement budget for FY 2025-26 was INR 6.2 crore. Total procurement spend was INR 5.98 crore, or 96.5 percent of budget.

Procurement issued 1,184 purchase orders to 137 active vendors.

The average purchase order cycle time was 6.4 working days against a target of 7.

Negotiation savings were INR 0.46 crore, 7.7 percent below initial quotations.

# Quarterly Procurement Spend

## Spend by Quarter

Q1 (Apr-Jun 2025) procurement spend: INR 1.32 crore.

Q2 (Jul-Sep 2025) procurement spend: INR 1.58 crore, driven by annual software licence renewals in August.

Q3 (Oct-Dec 2025) procurement spend: INR 1.47 crore.

Q4 (Jan-Mar 2026) procurement spend: INR 1.61 crore, the highest quarter, driven by the hardware refresh for the Singapore office.

# Vendor Categories

## Spend by Vendor Category

Cloud infrastructure: 42 percent of spend, INR 2.51 crore.

Software licences: 23 percent of spend, INR 1.38 crore.

Hardware and devices: 14 percent of spend, INR 0.84 crore.

Professional services: 12 percent of spend, INR 0.72 crore.

# Approval Thresholds and Purchasing Policy

## Approval Thresholds

Purchases up to INR 50,000 are approved by the department manager.

Purchases above INR 50,000 and up to INR 5 lakh are approved by the Finance Manager.

Purchases above INR 5 lakh and up to INR 25 lakh are approved by the CFO.

Purchases above INR 25 lakh require joint approval by the CEO and CFO and three competitive quotations.

## Purchasing Policy

Every purchase requires a purchase order before an invoice is accepted: no purchase order, no payment.

Splitting an order to stay below an approval threshold is prohibited.

Purchases above INR 2 lakh require at least two quotations. The preferred vendor list is reviewed every February.

# Vendor Evaluation Criteria and Vendor Comments

## Vendor Evaluation Criteria

Vendors are scored on price (30 percent), quality and reliability (25 percent), security and data protection compliance (20 percent), delivery performance (15 percent) and financial stability (10 percent).

A vendor needs a score of at least 70 out of 100 to be onboarded. Vendors that handle customer data must also pass a security assessment by the Security department.
